THOMAS STEPHENS, ) Croton ROBT. L. DARRAGH, Aqt. A. W. CROWEN, Board. OFFICE CRO. Aq. DEFT., Aug. 14, 1866.

PROPOSALS FOR HRATING APPARATUS.

Scaled proposals will be received at the office of the Supervising Architect, Treasury Department, Weshington, D. C., until 18 M. of August 15, 1865, for all the improved Heating apparatus (but water or Gould's patent). That may be required for the various public buildings in charge of this Department prior to the 18th of August, 1865.

The apparatus required will be on the hot water system, or not water and low pressure steam combined (Gould's patent), and bidders are required to furnish descriptions or plans of their mode of construction.

The apparatus must in all cases be furnished and put up complete within a reasonable time from date of order, and must be in perfect working condition when turned over to the proper officers.

The bids are to be per cubic foot of space actually heated, and the price to cover all expenses whateger—screens, painting, outling of or constructing masonry, &c.; the freight and actual transportation expenses of mechanics, if the services of suitable ones cannot be procured in the places where the apparatus is to be put up, will be paid for extra.

Payments not exceeding 50 per centum of the value of work done will be made during the progress of the work, upon

ne cost of the contractor.

I bids must be accompanied by the bond of two responsipersons, in the sum of \$5,000 that the bidder will accept
perform the contract if awarded to him, the sufficiency
he security to be certified to by the Collector of Internal

Revenue of the district.

The Department reserves the right to reject any or all the bids, if it be deemed to the interest of the government to do so, and no bid will be considered that does not conform to the requirements of this advertisement.

Froposais abould be endorsed "Proposais for Reating Apparatus." and must be addressed to Supervising Architect, Treasury Department,

PROPOSALS FOR BURGLAR PROOF SAPES.

Washington, D. C., July 22, 1965.

aled proposals will be received at the office of Supervisarchitect, Treasury Department, Washington, D. C., un.

M. of August 15, 1865, for all the Fire and Surgiar Froof office personally or by letter. The locks for the axfes will be furnished by the Department, but must be put on by the contractor without extra charge.

The mafes are to be delivered and set up, within a reasona ble time from date of order, at their place of destination, in perfect condition, and the locks must be in perfect working order when the safe is turned over to the proper officer.

The bids to be per superficial foot, measured on the outside, and the price to cover all charges whatever, door fatures, painting, &c. except locks. Freight and actual transportation expenses (except board) of mechanics—if the services of suitable ones cannot be procured at the place where the safe is to be put up—will be paid for extra. All bids must be accompanied by the bond of two responsible persons, in the sum of \$5,000, that the bidder will accept and perform the contract if awarded to him—the sufficiency of the security to be certified to by the Collector of Internal Revenue of the district.

The Department reserves the right to reject any or all the ide, if it be deemed the interest of the government to do ac; and no bid will be considered that does not conform to the equirements of this advertisement.

Proposals should be endorsed "Proposals for Safes and faults," and be addressed to "Supervising Architect, Treasury Department.

Supervising Architect, Treasury Department.
